

Department of Veterans Affairs

§ 21.4234

(e) *Contract.* All or part of the program of education of a school may be provided by another school or entity under contract. Such school or entity actually providing the training must obtain approval of the course from the State approving agency in the State having jurisdiction of that school or entity. If the course is a course of flight training, the school or entity actually providing the training must also obtain approval of the course from the Federal Aviation Administration. Measurement of the course and payment of an allowance will be appropriate for the course as offered by the school or entity actually providing the training.

§ 21.4234 Change of program.

(a) *Definition.* (1) Except as provided in paragraph (a)(2) of this section, a change of program consists of a change in the educational, professional, or vocational objective for which the veteran or eligible person entered training.

(2) VA does not consider any of the following to be changes of program:

(i) A change in the type of courses needed to attain a vocational objective;

(ii) A change in the individual's educational, professional or vocational objective following the successful completion of the immediately preceding program of education;

(iii) A return to the individual's prior program of education following a change of program if the individual resumes training in the program without any loss of credit or standing in that program;

(iv) An enrollment in a new program of education when that program leads to a vocational, educational or professional objective in the same general

field as the immediately preceding program of education; or

(Authority: 38 U.S.C. 3691)

(v) An enrollment or reenrollment of a servicemember seeking to be paid tuition assistance top-up benefits to meet all or a portion of an educational institution's charges for education or training that the military department concerned has not covered under tuition assistance.

(Authority: 38 U.S.C. 3691)

(b) *Application.* A veteran or eligible person may request a change of program by any form of communication. However, if the veteran or eligible person does not furnish sufficient information to allow the Department of Veterans Affairs to process the request, the Department of Veterans Affairs will furnish the prescribed form for a change of program to him or her for completion.

(Authority: 38 U.S.C. 3471)

(c) *Optional change of program.* A veteran eligible to receive educational assistance under Chapter 34 or a spouse or surviving spouse eligible to receive educational assistance under Chapter 35 may make one optional change of program if his or her previous course was not interrupted due to his or her own misconduct, neglect or lack of application.

(Authority: 38 U.S.C. 3691(b))

(d) *Other changes of program.* (1) The following changes of program may not be made solely at the option of the veteran or eligible person. The Department of Veterans Affairs must approve them before paying educational assistance allowance:

(i) A second or subsequent change of program made by a veteran or eligible spouse or surviving spouse,

(ii) An initial change of program made by a veteran or eligible spouse or surviving spouse if the first program was interrupted or discontinued due to his or her own misconduct, neglect or lack of application, or

(iii) Any change of program made by a child.

§ 21.4235

38 CFR Ch. I (7–1–08 Edition)

(2) The Department of Veterans Affairs will approve a change of program listed in paragraph (d)(1) of this section if:

(i) The program of education which the veteran or eligible person proposes to pursue is suitable to his or her aptitudes, interests and abilities,

(ii) In any instance where the veteran or eligible person has interrupted, or failed to progress in his or her program due to his or her own misconduct, neglect or lack of application, there is a reasonable likelihood with respect to the program the veteran or eligible person proposes to pursue that there will not be a recurrence of such an interruption or failure to progress, and

(iii) In the case of an eligible child the new program meets the criteria applicable to final approval of an original application. See § 21.4230.

(3) The Department of Veterans Affairs may approve a third or subsequent change of program if applicable conditions of paragraph (d)(2) of this section are met and the additional change or changes are necessitated by circumstances beyond the control of the veteran or eligible person. Circumstances beyond the control of the veteran or eligible person include, but are not limited to:

(i) The course being discontinued by the school when no other similar course leading to the same objective is available within normal commuting distance.

(ii) Unexpected financial difficulties preventing completion of the last program because of the overall cost of the program needed to reach the objective, or

(iii) The veteran or eligible person being required to relocate because of health reasons in an area where training for the last objective is not available within normal commuting distance.

(Authority: 38 U.S.C. 3691)

(4) Notwithstanding any provision of any other paragraph of this section, if a third or subsequent change of program occurs after May 31, 1991, VA will apply only the applicable provisions of paragraph (d)(2) of this section. If the applicable provisions of paragraph (d)(2) of this section are met, VA will

approve the change of program. VA will not apply any of the provisions of paragraph (d)(3) of this section in determining whether the change of program should be approved.

(Authority: 38 U.S.C. 3691; Pub. L. 101–366) (June 1, 1991)

(e) *Adjustments; transfers.* A change in courses or places of training will not be considered a change of objective in the following instances:

(1) The pursuit of the first program is a prerequisite for entrance into and pursuit of a second program.

(2) A transfer from one school to another when the program at the second school leads to the same educational, professional or vocational objective, and does not involve a material loss of credit, or increase training time.

(3) Revision of a program which does not involve a change of objective or material loss of credit nor loss of time originally planned for completion of the veteran's or eligible person's program. For example, an eligible person enrolled for a bachelor of science degree may show a professional objective such as chemist, teacher or engineer. His or her objective for purposes of this paragraph shall be considered to be "bachelor degree" and any change of courses will be considered only an adjustment in the program, not a change, so long as the subjects he or she pursues lead to the bachelor degree and there is no extension of time in the attaining of that degree.

(Authority: 38 U.S.C. 3691)
